Now you have found all the items on the sheet, have a look around you. Can you see any of them where you are? How many can you count? What else can you see?

Playing with your child is one of the most important things you can do to support their development. The time you spend playing together will help them learn all sorts of things – from counting and writing, to exploring and making new friends.

Our list of 50 things to do before you're 5 will give you lots of ideas to support your child's learning through play - Complete it online or print it off, stick it on the fridge and tick off each activity!

We would love to see photos of your children achieving these things, you can email them to tlc@essex.gov.uk

Once you've completed the list, download your own 50 things to do before you're 5 certificate from the TLC website.
